Dated: Hassan 31st October 1892.

From

Deputy Commissioner

To
The Muzrayi Secretary
to the Government of Mysore.

Sir,

I have the honor to bring to your notice that the Muzrayi Officer has sent up a representation supporting the application of the amildar of Belur for a gumasta to do the Muzrayi work of the Taluk. I am of opinion that the Muzrayi work in this Taluk is heavy in connection with the every day management of the Temple which is by far the most important in this more systematic keeping of accounts of the Temple lands which are fairly extensive. There are also large Pudivatt arrears to be collected for which I had temporarily engaged a man for a few months two years ago before I went on leave. This work was partially done though very satisfactory progress was made in the collection of Pudivat arrears But of course the arrangement came to an end being only a temporary one. For these several purposes and in every way for the more satisfactory transaction of business in the Taluk, I request that a gumasta may be appointed — payable from the current Kanike Revenue of the Temple or from the

General Revenue of the Temple, either of which will be ample at the rate of Rs 10 per mensem. This Official may also be utilized in the collection of Temple Revenue from all the sources and in the inspection of lands &c like a Sheikdar.

I have the honor to be
Sir
Your most obedient servant

thereof and to do Muzrai work in the Taluk office.
